PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student at SVIET College with a strong interest in MERN stack web development and graphic designing. Skilled in creating dynamic, user-focused web applications and visually engaging designs. Passionate about combining technical expertise with creativity to deliver innovative digital solutions. Eager to contribute to projects that integrate modern web technologies and design principles to enhance user experience and functionality.

EDUCATION

Swami Vivekananda Institute of Engineering And Technology, Banur, Punjab, India Aug 2023-27

Bachelor of Technology, Computer Science and Engineering

Related Coursework: Database Systems, Computer Networks, Operating Systems, Software Engineering, Data Structures & Algorithms, Web Development, Management, Business Software Development

GPA: 8.00/10.00(Till 4th Sem)

RELEVANT EXPERIENCE

InAmigos Foundation — Remote January 2030 - Present

Graphic Design Intern

- Designed promotional graphics, social media posts, and campaign visuals to support foundation initiatives.
- Collaborated with the marketing team to ensure visual consistency across digital and print materials.
- Enhanced brand identity through innovative design layouts and visual storytelling.

CodeAlpha — Remote September 2030 - Present

Web Development Intern

- Developed responsive web pages using the MERN stack and implemented reusable UI components.
 - Optimized website performance and user experience through clean, modular code.
 - Collaborated with mentors to integrate APIs and handle frontend-backend communication.
-

ADDITIONAL EXPERIENCE

Pinnacle Labs — Remote April 2030 - Present

Full Stack Development Intern

- Built and deployed interactive web applications using React.js, Node.js, and MongoDB.
 - Worked with RESTful APIs to manage and display dynamic data efficiently.
 - Contributed to debugging, testing, and improving user interface functionality for real-world client projects.
-

SKILLS

Certification: Introduction to Artificial Intelligence, Cybersecurity Foundations, MERN Full Stack Developer Certification, Use Canva to Design Digital Course Collateral

Technical Skills: MERN Stack (MongoDB, Express.js, React.js, Node.js), HTML5, CSS3, JavaScript (ES6+), Tailwind CSS, RESTful APIs, Git & GitHub, Postman, Adobe Photoshop, Figma, Canva

Language: English, Hindi, Punjabi
